

MY WILDLIFE DIARY

Top tips for finding nature

Wildlife is all around! You can see it in your local park, garden or yard

Try not to disturb wildlife in their natural habitat

Stand still and take time to look around and listen to sounds

Blend in with your surroundings by wearing nature friendly colours

Take photographs or make a nature notepad to record what you see

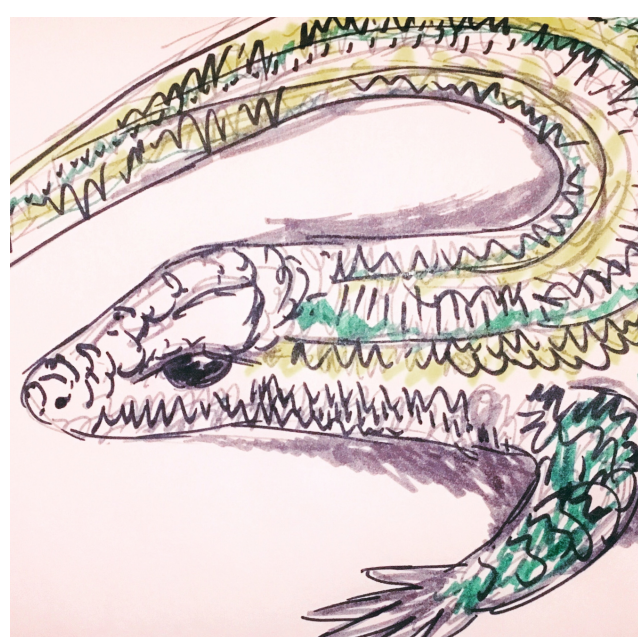

Creating art inspired by nature

Use a free app like the Sketchbook app to make a digital art and paintings

Make art using your nature finds, like feathers, leaves and stones

Draw your nature sightings or pick out details from nature

Make nature pictures with modelling dough

Draw a nature scene
